358. Suggested Finance Committee lty was noted that a Finance Committee was normally made up by the Chairman and Vice Chairman of the Council and the Chairmen of the Standing Committees. It has been suggested that its remit could be "The Finance Committee would have a monitoring and reviewing role, and would undertake financial planning to ensure commitments entered into by the Parish Council are adequately funded." This was agreed as it was important with the implications of additional ongoing costs involved regarding the Re4creation Ground, proposed car park etc. Attention was drawn to the new Model Financial Regulations which had been circulated recently which explained the role of the RFO.

359. Ditchling Fair Stall It was agreed to have a table at the Fair in the morning session. This would cost £20.
