Dear Mary

**RE: DITCHLING POST OFFICE**

I am writing, further to concerns raised by constituents living within Ditchling earlier in the year surrounding proposals from Post Office officials, which laid out plans to move the post office in Ditchling, which would have had a devastating effect on the village.

Residents mounted a very successful campaign which led the post office in Ditchling to be granted community status. This was granted on a temporary basis on condition of a full review earlier this month.

I am delighted to say that this week I met with Post Office officials who confirmed to me that the post office in Ditchling can remain.

I hope you will agree that this is fantastic news for the village. Without the continued commitment of local residents this result would not have been possible.

Best wishes.

Yours sincerely
