

What improvements to Ditchling Recreation Ground would you like to see?

On the display panels, we have shown 17 proposals for improving the recreation ground over the next 10 years or so.

The Parish Council would like to know what you think of these so that it can produce a masterplan for the grounds.

Please use the space below to name your **TOP 5** improvements or changes you would like to see implemented whether these are on the list of 17 or not. If you are firmly against a proposal, then please say so.

There is a separate questionnaire on the proposed equipment for upgraded children's play area. We would appreciate if you could complete this form as well.
